

TOWN&COUNTRY COUTURE DESIGN AWARDS 2007

“The summer wind, came blowin’ in” as Town&Country and The Couture Show marched into the 12th year of presenting The Town&Country Couture Design Awards by taking jewelry to the catwalk — under the desert sky. On a runway that circled the Wynn Las Vegas’ famed Sunset Pool, the exquisite style of Carmen Marc Valvo delighted over 1000 guests. His greatest hits collection, presented by Neiman Marcus, was a perfect partner to the \$10 million of jewelry on 50 models. For the eight winners and 110 participating jewelry designers it was a night of pure glamour.

Two in a row in the SILVER category for John and Cynthia Hardy.

Erich Zimmermann, a first time winner for Best in GOLD.

Sevan (pictured with Laura Brown) takes his second Best in COLORED GEMSTONES award.

Isaac and Orna Levy accept their third Best in PEARL award.

Samir Bhansali accepted the DIAMOND Design Award for La Reina Collection.

Claudia Kretchmer accepts the PLATINUM Award for Steven Kretchmer.

Shaun Leane and Olivia Norman accept Shaun Leane's second BRIDAL Design award.
